

## SAFETY DATA SHEET

2018.08.18. Version

### 1. Substance/preparation and company identification

Product: **Art Alchemy – Sparks (Acrylic Paint) #**  
964054,964061,964078,964085,964092,964108,964122,964139,964146,965396,  
965402, 965419,967727,967734,967741,967758,967765

### 2. Hazard identification:

No particular hazards known.  
If the product adheres to skin, irritation may occur when it dries.

### 3. Composition/information on ingredients:

Chemical nature:           - Aqueous polymer dispersion.  
                                  - Pigment dispersion.  
                                  - Mica.

### 4. First-aid measures:

General advice:           Remove contaminated clothing.  
If inhaled:                Keep patient calm, remove to fresh air, and seek medical  
attention.  
On skin contact:         Wash thoroughly with soap and water.

medical attention.  
On contact with eyes:    Immediately wash affected eyes for at least 15 minutes under  
running water with eyelids held open, consult an eye specialist.

### 5. Fire-fighting measures:

Hazardous combustion products:  
                                  In case of fire occurs hazardous gases.

## Art Alchemy – Sparks (Acrylic Paint)

Suitable extinguishing media:

Water-spray, foam, dry extinguishing media and carbon dioxide.

Other information:

Water can be used for cooling drums.

### 6. Accidental release measures:

Personal precautions: Clean up with the appropriate personal equipment (see point 8.).

Environmental precautions:

Prevent material from entering rivers, lakes, canals, drains, and soil.

Methods for cleaning up or taking up:

Pick up with suitable absorbent material (e.g. sand, sawdust, general-purpose binder). Dispose of absorbed material in accordance with regulations.

### 7. Handling and storage:

Handling: Keep place well ventilated!

Storage: Store protected against freezing. Store between 5 - 30 °C.

### 8. Exposure controls and personal protection:

Eye protection: Use safety eyewear.

Body protection: Wear personal protective equipment.

Hand protection: For prolonged or repeated handling, use gloves.

Respiratory protection: Keep place well ventilated!

Other information: Smoking, eating and drinking should be prohibited in application area. Keep vessel tightly closed.

### 9. Physical and chemical properties:

Form: Viscous Liquid.

Colour: Depends on the product.

Odour: Faint odour.

Miscibility with water: Miscible.

pH: 7-9,5.

Density: 1,01-1,3g/cm<sup>3</sup>.

Hazardous combustion products

CO, CO<sub>2</sub>

### 10. Stability and reactivity:

Thermal decomposition: In case of fire hazardous decomposition products such as carbon oxides and so on may be produced.

Hazardous reactions: No hazardous reactions when stored and handled according to instructions.

Conditions to be avoided:

Heat, fire.

### 11. Toxicological information:

No particular hazards known. Based on our experience and the information available, no

**Art Alchemy – Sparks  
(Acrylic Paint)**

adverse health effects are expected if handled as recommended with suitable precautions for designated uses.  
If the product adheres to skin, irritation may occur when it dries.

**12. Ecological information:**

Do not release untreated into natural waters. At the present state of knowledge, no negative ecological effects are expected.

**13. Disposal considerations:**

The product is not environment or health dangerous in bounded statement. Must be dumped or incinerated in accordance with local regulations.

**14. Transport information:**

Not classified as a dangerous good under transport regulations (ADR, RID, ADNR, IMDG ICAO-TI, etc.)

Store protected against freezing. Transport between 5-30 °C.

**15. Regulatory information:**

The product does not require a hazard warning label.

**16. Other information:**

The information contained in this data sheet reflects our current knowledge and experience. The safety data sheet describes our product in terms of safety requirements. The information in this Safety Data Sheet is meant as a description of the safety requirements of our product: it is not to be considered as a guarantee of the products' properties.
